

2023 Health Promoting Schools Feature Awards Program

Excellence Silver Award

Taipei Municipal Gong-Guan Elementary School

Located in the city but surrounded by nature, we combine smart innovation with parent-teacher cooperation to create a healthy and winning environment for all.

Community Cleaning: Annual year-end street cleaning to teach students about service and being a good neighbor.

Sports & Vision: Regular "Le-Le Baseball" competitions to encourage SH150 and protect students' eyesight.

Kaohsiung Qianzhen Dist. Le-Chyun Elementary School

Building a "Health Triangle" (Healthy Body, Mind, and Environment) to help children develop lifelong health skills.

Health Triangle: Healthy Body, Mind, and Environment.

Creating a campus where children are happy and healthy.

Shi-Jou Elementary School Houlong Township, Miaoli County

Our strategy links core school values with our vision to build a collaborative system between school, home, and community. We aim for a new campus life centered on the goal: "We Should All Be Well."

<p>自發</p> <p>「打」造健康促進學校學校的新風貌—以教學與活動為策略，回到學生能力的本軸</p>	<p>社區文化與健康</p>
<p>互動</p> <p>「打」開孩子的生活經驗與關心自己的健康做真正的連結，能正向與人互動</p>	<p>共好</p> <p>「打」造學校與社區家庭共好的三生體系</p> <p>關懷自己與他人</p>

School , Family, and Community. We Should All Be Well.

Be well, stay together, and live healthy ever after.

Long-Gang Primary School Dongshih Township, Chiayi County

A healthy campus and a healthy community. We work together with parents and teachers to move toward a better life.

Staff Health Promotion Training Workshop.

Yoga clubs for students and staff to relax and stay fit.

Dong-Xing Elementary School of Hsinchu County

Health and happy living are lifelong goals. We start from elementary school to help kids build good habits.

Nutritionists teach children how to eat healthily from a young age.

Teachers lead students in stretching and running during long breaks to stay active.
